Print Options:

Prints are supplied with a lustre finish unless gloss finish is indicated on the form.

Prints are colour or black and white as shown in the proofs. If you have seen a proof photo in black and white that you would prefer in colour then please indicate 'C' in the Convert column. Similarly put 'BW' if you wish to have a colour photo converted to Black and White.

Prints can be supplied with border if required which is useful if the photograph is to be mounted inside a frame with a mount. If a border is requested the paper size is as stated but the photo will be smaller with a white border around the edge of the photo.
